Where are we going?

World Servants is working alongside Peru Hope in the city of Huaycan, a suburb of Lima, Peru. Huaycan is home to thousands of immigrant settlers from different parts of Peru, looking to improve their standard of Living and job opportunities in the city of Lima. It is one of the poorest neighborhoods of the capital of Peru.

The people living in Huaycan are hard-working, friendly and family-oriented. The normal household income is less than \$9000.00 a year. Living conditions are simple, but challenging. Most families live in one or two room houses made of handmade mud bricks/wood and thatched roofs with kitchens and latrines located outside

What are we doing?

Peru Hope and Mission Impacto will partner with World Servants to lead outreach activities such as serving meals to children, will participate in experiential cross-cultural training, attend a worship service in Huaycan and visit families to learn about life in Huaycan, Peru.

The team will also be focusing on working to help with the next construction phase of the much needed community center and outreach center. We will work alongside the community on tasks such as hauling sand, mixing concrete, laying foundations, carpentry, finishing concrete and possibly painting.

The team will spend their day off visiting points of interest in Lima. We will plan to visit the beach, market and cultural city center.

Food, Lodging, and Travel

All meals will be prepared for us by local Peru Hope volunteers who understand the need for good, healthy meals. The main diet consists of bread, potatoes, cornmeal, some beef and chicken, eggs, rice, tomatoes, cabbage, carrots, beans, avocados, along with fresh pineapple, mango, bananas and papaya. Clean, safe water will be available to the team at all times.

You'll fly into Lima, Peru where World Servants will meet you and transport you to your lodging –We will be lodging at a Catholic center for holistic health in Huaycan. It is about 15 minutes from our Peru Hope project site. Dorm style rooms with beds, restrooms and cold water showers.

Is it safe?

Trip safety is extremely important to World Servants and our host community. Peru is considered very safe and we do not anticipate any safety issues. Be assured, World Servants will not hesitate to cancel or suspend a trip if appropriate.

In partnership with

World Servants is a worldwide, interdenominational organization. For almost 30 years, we have sent people to communities around the globe to be learners, servants, and storytellers open to the works and teachings that God has prepared. Mission participants are challenged and developed through learner-driven cross-cultural training and dynamic short-term mission projects. These projects have a long-term impact both on volunteer participants and local communities while assisting these communities to become self-sustaining and interdependent. Our hope is participants will be inspired to continue to serve people in need upon their return home. We believe as people develop as servants and leaders, they implement servant hood into all areas of life: business, family, community, congregations, government, and international relationships.
